<sup>1</sup> In an exceptional circumstance, this requirement may be waived. The student must receive this waiver in writing from the HoS.

<sup>2</sup> May be waived. Students will then take an extra elective to meet total MC requirement.

<sup>3</sup> Advanced Microeconomics, Macroeconomics, or Econometrics may be used to fulfill this requirement. Of course, students may elect to take more than one of these courses.

<sup>4</sup> This requirement is waived for students who completed both Introductory Mathematics and Statistics for Economics. These students should note that their total MC completed for these two courses was only 4.
