12.5 MCs at Yale-NUS			
Required Core Courses			

¹ Exceptions to this must be granted in advance by the HoS for a Minor.

² In an exceptional circumstance, this requirement may be waived. The student must receive this waiver in writing from the HoS. Eligible exceptions include courses designated as CS/CU and courses external to Yale-NUS and NUS not eligible for award of a grade.

³ May be waived. Students will then take an extra elective to meet total MC requirement.

⁴ This requirement is waived for students who completed both Introductory Mathematics and Statistics for Economics. These students should note that their total MC completed for these two courses was only 4
